## OVERVIEW

### Application

Students may apply for housing after receiving approval from the Admissions (new) or Registrar's (returning) Office. The application is available online at <http://swbts.edu/housing>. General Housing deposits will be equal to  $\frac{1}{2}$  month's rent (minimum \$150). Residence hall deposits will remain at \$150. The deposit may be refunded for cancellations as long as 30 days of notice is given.

### Assignments

Housing assignments are made in the order in which the housing application is received. Prospective residents are encouraged to apply early, preferably 3–6 months prior to the expected move-in date. Housing is assigned on a first-come, first-served basis. The sooner you apply, the better.

### Rent

Rent is due on or before the first day of each month. The first month's rent is prorated beginning with the date of occupancy.

### Pets

The only area of housing that is designated as a "pet zone" is in Carroll Park (see [Pet Application and Pet Addendum](#)). Only registered pets are allowed. Some breeds of dogs are restricted. All dog breeds must be pre-approved. Service animals are not considered "pets," and must be pre-approved.

### Class Requirements

Students occupying seminary housing must be enrolled in an approved degree or certificate program as a full-time student each spring and fall semester.

## RESIDENCE HALLS

Barnard Hall (women) and Fort Worth Hall (men) are residence halls available to students under 35 years of age. Each room is equipped with a twin sized bed, a dresser, a closet or wardrobe, a desk and a chair and a bookshelf. Each student furnishes his or her own linens. One refrigerator (4.5 cu. ft. and 1.5 amps max) per resident is allowed. Cooking is not permitted in the rooms. Both residence halls have microwaves and stoves that are provided in designated areas, a limited amount of refrigerator/freezer space in common areas and coin operated laundry rooms.
