OVERVIEW

Application

Students may apply for housing after receiving approval from the Admissions (new) or Registrar's (returning) Office. The [Housing Application](#) is available online. New General Housing residents must pay a New Resident Fee of \$200 prior to move-in date.

Assignments

Housing assignments are made in the order in which the housing application is received. Prospective residents are encouraged to apply early, preferably 3-4 months prior to the expected move-in date, and after the student is registered. Housing is assigned on a first-come, first-served basis.

Rent

Rent is due on or before the first day of each month. A late fee will be assessed if rent is not paid by the third of the month. Rent is prorated for both the first month beginning on the day of occupancy and for the final month ending upon move-out.

Pets

Carroll Park is Southwestern's only pet friendly neighborhood. All pet owners must fill out a [Pet Application](#) and [Pet Addendum](#) and are subject to a \$250 non-refundable pet fee. Service and ESA animals are not considered pets, so must be pre-approved in accordance with the FHA and ADA.

Class Requirements

Students occupying seminary housing must be enrolled in an approved degree or certificate program and maintain a minimum of six, on-campus, credit hours each spring and fall semester.

RESIDENCE HALLS
