

Fort Worth Janitorial Services, LLC

Position: Part-Time Janitor

Compensation: \$12/hour with no job employment history; \$13/hour with employment history. We will review at 90-days for an automatic 50-cent raise.

Schedule: Saturday & Sunday: 8pm - 1130pm, Tuesday & Thursday: 9pm - Midnight (possibly finish earlier, should be 12-14 hours a week)

Location: Saginaw (about 25 minutes from SWBTS)

Duties: Basic janitorial duties include pulling trash, sweeping, mopping, cleaning restrooms, cleaning offices, cleaning church classrooms, dusting, and vacuuming. Attention to detail, and trainability are very important. Great opportunity for someone who has daytime classes, or a spouse who wants to work nights.

About Us: Company is owned by a SWBTS-grad. We can be somewhat flexible with the schedule (if employee needs to work 3 nights instead of 4), but the days for this location are set. We are always looking to hire for current and future clients. Most of our clients are churches and/or religious schools, and we specialize in helping our clients best steward their buildings with our ability as Janitors. If you are interested in learning a skillset that can be used in the future, especially as a bi-vocational minister/church planter, we hope you will reach out. We are willing to train, and we also clean carpets and windows, so there are a lot of skills that can be learned.
