House Keeping:

Have you ever walked into a hotel room on vacation only to be seriously concerned and disappointed about how clean it is (or isn't?) Many of our guests this coming summer will be on an Alaskan vacation of a lifetime that they have saved up for over a period of several years. A dirty room can make or break that vacation right from the start. Making a great first impression is so important to us, this position earns \$1.50/hour MORE than our other positions! If you have a passion for details and making great first impressions with people from all over the world, this is the position for you.

Store Associate / Barista:

Nothing better than a hot coffee or a triple scoop ice cream to make a beautiful Alaskan day even better! Our store offers breakfast and lunch items, Alaskan gifts and apparel, coffee and ice cream, and anything else someone might need to make a great day of hiking or fishing. If you have an eye for detail and love making peoples day, this is the position for you.

Maintenance / Groundskeeping

If you love working outside in great weather in a beautiful place, this is the job for you. You will help keep our property looking great and keep things running smooth for our guests. Tasks include mowing, weedeating, and light maintenance. Temps are often in the 70s in the summer!

Childcare:

We are looking for 1-2 young ladies to help us with staff childcare this summer! If you love kids, coming up with creative and safe activities, and have childcare experience, we want to talk to you.
