

Job title: Babysitter/Nanny
Location: Benbrook, TX 76126
Terms: 10-12 hours a week
Salary/rate: \$20/hr
Requirements: Experience with multiple young children at once. Experience with newborns. Experience with toddlers. Must have reliable transportation and a valid Driver's License

About us: We are Adam and Elizabeth Keith. We have two girls ages 2.5 years and 1 year old. Elizabeth works part time from home and needs someone to keep the two girls during that time. She is also expecting a third baby this fall, so ideally this person must have experience with newborns as well as toddlers.

About the role: We are looking for a woman with experience working with multiple young children and newborns at the same time. We have a dog name Sophie who is very sweet, but high energy and will be around you and the girls in our home. We would like someone with a biblical worldview who can create a nurturing environment for our children when the girls are in their care. We love to play outside, go for walks, and read lots of books. We do not offer technology to our children. We would love to find someone who could commit through the Fall/ Spring Semesters starting at the end of August 2024. We want to provide a consistent schedule for our children and try to have help on the same two days each week.

Responsibilities:

- Caring for our two children (and newborn come November) 10-12 hours a week
- Assisting with dishes, laundry and tidying while the girls nap
- Running the occasional errand to help us with things like groceries (gas always compensated)
- Picking up toys at the end of each
