To learn more about Jireh Bible Church

Jireh Bible Church is a non-denominational Christian Bible Church. We seek to glorify the Lord through the preaching of the Word of God, worshiping together, loving one another, praying together, learning together, exercising our spiritual gifts, training others for ministry, sharing our faith, and sending men into the harvest. Our Vision is to build a multi-ethnic Church in fulfillment of our part in the Lord's Great Commission. Currently, we have English and Chinese ministries. As the Lord so leads, we envision to expand into the Hispanic ministry and other ministries in the future. Further information can be viewed at <http://www.jirehbiblechurch.org>
